About the Institution :

Dr. Akhilesh Das Gupta Institute of Technology and Management, (ADGITM) (formerly known as Northern India Engineering College (NIEC)), established in the year 2003 by Babu Banarsi Das Educational Society. Late Dr. Akhilesh Das Gupta, an educationist, former Union Minister and philanthropist was the Founder Chairman of this College. This is one of the premier institutions in North India has been well known for its aesthetic designed campus. The institute is spread over a lush green campus of 8.08 acres along with three playgrounds located at Shastri Park, New Delhi with five interconnected blocks exhibiting state of art of infrastructure. ADGITM offers B. Tech in Civil Engineering, Computer Science and Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Information Technology, Mechanical & Automation Engineering and Mechanical Engineering. Also, it offers Master of Business Administration and Bachelor of Business Administration. All the courses are approved by AICTE, and affiliated to Guru Gobind Singh Indraprastha University, New Delhi. The institution is well – known for its distinctive contribution to society in research, learning and teaching process. The institute aims to attain global level of excellence in education and works hard to create the concept of sustainable and equitable society among the students. The institute has a dedicated Training & Placement Cell that plans, organizes and coordinates the training & placement activities. At present the Institute is one of the renowned Institutions of GGSIP University with largest intake.

A brief about the conference :

The purpose of international Conference on Innovation in Science & Technology is to bring together researchers, scholars and developers under one roof to exchange information and share experiences and research results for an overall growth of science & technology. It aims to promote the research and practice of new strategies, tools and techniques for design development and implementation of various technological systems from all specialized and interdisciplinary fields. The conference provides an opportunity for all to network, share ideas and present research to a worldwide community. Discussions on latest innovations, trends and other challenges and concerns are also encouraged through this conference.

Scope of Conference :

This conference will provide an excellent international forum to researchers and practitioners from academia as well as industry to discuss their latest research results, ideas, developments and applications in all areas of engineering technology and innovation. The conference also aim at providing an interdisciplinary platform for research scholars, practitioners and educators to enhance their knowledge and experiences and also present them with opportunities to form everlasting global partnerships. It also intends to provide a conducive environment to students so that they can augment their knowledge in different areas of research.

Conference Tracks :

In ICIST - 2020, there are 27 tracks which are listed below but are not limited to:

MAE

- Thermal Engineering.
- Materials Engineering and Processing.
- Automation and control.
- Machine design solid mechanics.

EEE

- Power Electronics & Drive.
- Control & Instrumentation.
- Power System & Energy

ECE

- Electronics Engineering.
- Signal Processing.
- Communication Technologies.
- Electronics & Networking.

ASH

- Fluid Mechanics, Optimization theory and Statistics
- Pollution, control and sustainability of environment
- Nanotechnology

CIVIL

- Recent Trends in Civil Engineering.
- Sustainable Development in Civil Engg.
- System Modelling
- Material Sciences & Technology.

CSE / IT

- Technology Trends
- Computing
- Artificial Intelligence
- Machine Vision
- Ambient Intelligence
- Communication
- Big data Analytics.
- Network and Information Security.
- Deep Learning and Soft Computing.

Guidelines for Research Papers :

As per IEEE guidelines. For further details kindly visit www.adgitmdelhi.ac.in.

Registration Fee for Participants

	Indian Authors	Foreign Authors
Students	4000/-	100 USD
Academicians / Research Scholars	5000/-	125 USD
Industry Participants	8000/-	150 USD
